The Journal of AGRICULTURAL SCIENCE

Edited by G. D. H. Bell, E. M. Crowther, J. Hammond, H. Hunter, B. A. Keen, Sir E. J. Russell, H. E. Woodman, and F. Yates.

Devoted wholly to the publication of scientific papers on agricultural subjects, the *Journal* includes original papers; occasional *résumés* or critical articles on recent advances in the various branches of Agricultural Science; short notes recording exceptional cases, analyses etc.; articles from Indian and Colonial workers descriptive of soil, climate and other conditions under which agricultural operations are carried on in tropical and semi-tropical countries; reviews and discussions.

Intended for agricultural teachers and experts, farmers and land agents having an interest in the scientific side of their profession, agricultural analysts, seedsmen, millers, manure manufacturers, etc.

Issued in quarterly parts of about 120 pages with plates and figures, four parts constituting a volume.

\$6.50 per volume of 4 parts
