Madison 5, Wis.

L. G. MONTHEY, *Editor and Business Manager*

DONALD E. GREGG, *Associate Editor*

LUELLA KRENZ, *Circulation Director*

Published monthly at Madison, Wis., by the American Society of Agronomy. Entered as second class matter at the postoffice at Madison, Wis. Forms close 30 days prior to issuance of each number.

Subscription rates: \$13.00 per year, postpaid, within the United States and its possessions, Canada, and Pan-American countries; single copies, \$1.25. All other subscriptions \$16.00; single copies, \$1.35. Available back issues, through Vol. 44, \$1.00 per copy, \$11.00 per volume; additional postage outside U. S. and Western Hemisphere, \$0.10 per copy, \$1.00 per volume.

New subscriptions, renewals, and new memberships which include the JOURNAL begin with the January number of the current volume unless specific directions are received for some other beginning date at time of receipt of the subscription.

Changes of address should be received by the 1st of the month in which they are to take effect.

Claims for copies lost in the mails must be received within 30 days (domestic subscriptions) from date of publication; otherwise the usual specified charge per copy will be made for replacements.

Subscriptions, renewals, and membership fees for the current volume and orders for back numbers should be sent to the Executive Secretary, L. G. Monthey, 2702 Monroe Street, Madison 5, Wis. Back volumes, beginning with Volume 41, are available on microfilm. Write for details.

Articles concerned with instruction, demonstration, experimentation, or research in agronomy will be accepted for publication from members of the Society if deemed suitable by the Editorial Board. It is understood that articles submitted for publication have not appeared previously elsewhere and that they will not be offered for simultaneous publication in other journals without the consent of the Editor of the JOURNAL.

Free publication in the JOURNAL is limited to four pages, with a charge of \$25.00 per page for each additional page. The JOURNAL does not assume financial liability for halftone engravings or zinc etchings beyond \$15.00 for each contribution. The author of any otherwise acceptable paper may have it published immediately by paying the entire cost of publication; publication of such a paper does not affect the priority of any paper on the regular schedule.

INTERNATIONAL FERTILIZERS

IN BOTH—REGULAR AND MULTIPLE STRENGTH GRADES

for Satisfaction at Harvest Time

Multiple strength plant foods, the new high analysis grades, offer the farmer for greater economy and convenience in the fertilizer he uses.

- ★ More plant food in the bag and at a lower cost per unit.
- ★ Fewer bags to handle for the same amount of plant food elements.
- ★ Lower transportation and storage costs.
- ★ Easier, faster application in the field.
- ★ More profit from each dollar invested because of lower cost per unit.
